What constitutes a race?

Three entries must be received from three different high schools

Rules Review:

- It is recommended that an experienced coxswain be used in novice categories
- No student shall row in more than two events. (coxies excluded)
- Each school is allowed two entries maximum per race.
- A novice rower shall be defined as an athlete who is participating in their first year of high school rowing (started after 2017 spring season). Their class status in school shall have no bearing on their novice classification. They may be a freshman, sophomore, junior or senior
- A Junior oarsperson shall be defined as a student enrolled in 9th, 10th or 11th grade.
- Each student must conform to the eligibility requirements of their respective school, and also the rules and regulations of the MHSAA.
- All students competing in a boat must attend the same high school. Composite crews are not allowed
- Heats, if needed will be either 1000 or 1500 meters (based on number of heats).
The race course is against the river's current
